

WHAT DOES THE TRADEMARK PROCESS LOOK LIKE?

1

COMPREHENSIVE SEARCH & ANALYSIS

Takes up to 7 days and then I get back to you with the results of your search!

2

APPLICATION PREP, APPROVE, SUBMIT

I get the intake from you and draft an application with the right class of goods or services, specimen, and ownership details. This can take up to 10 days depending on how fast you get the intake answered!

3

USPTO REVIEWS APPLICATION

The review will take anywhere from 3- 6 months before we hear back. But I'll keep you updated!

4

USPTO APPROVES

If everything looks good they'll approve it and move you to publication where there is a 30 day opposition period, and if no one opposes then you're all set!

WHAT DOES THE TRADEMARK PROCESS LOOK LIKE?

5

THE USPTO MAY ISSUE AN OFFICE ACTION

This could mean something substantial, or maybe its an easy fix but we have 6 months to answer it.

6

WE SUBMIT THE RESPONSE TIMELY

After the response is submitted, the examining attorney will likely another 1-2 months to review the response, and they may have a 2nd office action at this point.

7

OFFICE ACTION ANSWER IS ACCEPTED

If they accept then your application is moved to publication and you have a 30 day opposition period once we get passed that we are approved!

8

IF 1B, SUBMIT STATEMENT OF USE

If we submitted a 1b intent to use application, we have 6 months to file our statement of use after we are noticed for publication, then you're official!
